

Southwoods

Summer 2018

Dear Parents,

The New York State Department of Health requires we have a parent permission slip for each of our campers to participate in water activities off of camp property. Included in the "off-site" definition would be, swimming or boating with our tripping program (TREK), sailing, waterskiing and canoeing on our lake away from our waterfront, and participating in group trips, such as water and amusement parks.

We comply with the regulations of the New York State Department of Health and the American Camp Association, the two regulatory bodies that govern the way we run Southwoods. The sites we use away from Southwoods are locations that our program has visited many times before.

Please feel free to call should you have any questions.

Winter: 914-214-8780
Summer: 518-532-7717

Please fill in the name of your camper(s), sign the bottom, and mail the bottom portion of this form to our office by May 1st

Off-Site Swimming Permission

I have been informed by Southwoods that:

Name of campers (s): _____

Session 1

Session 2

A) May participate in water activities at sites that are not inspected by the permit-issuing official like hotels, waterskiing, sailing, and canoeing; and B) Qualified camp staff will determine the suitability of the site at the time of each use; and C) The location may be remote or inaccessible to allow for prompt transfer to an emergency medical health care facility.

Parent/Guardian Name _____

Parent/Guardian Signature _____
